

How to make a SLP KNOT

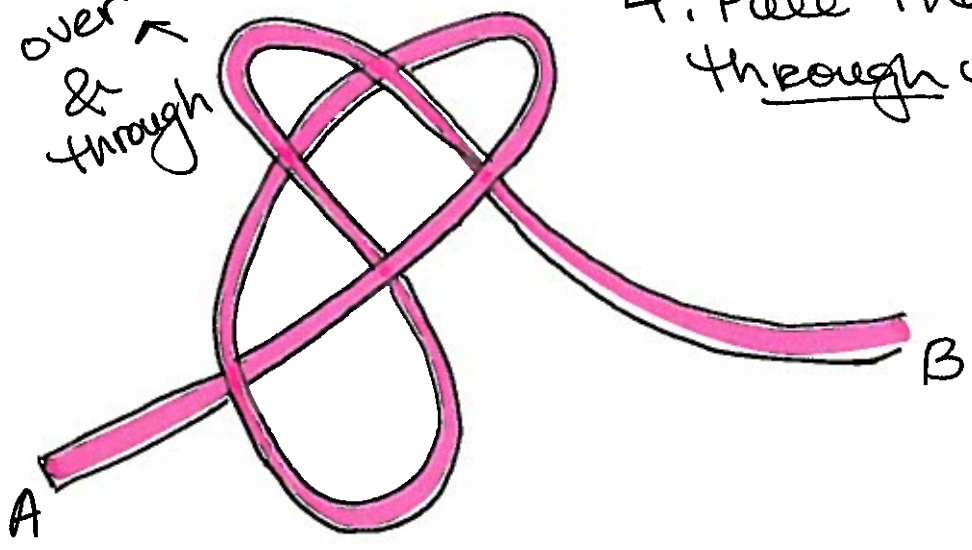

2. make a simple loop;
with the right side (B)
over the left side (A)

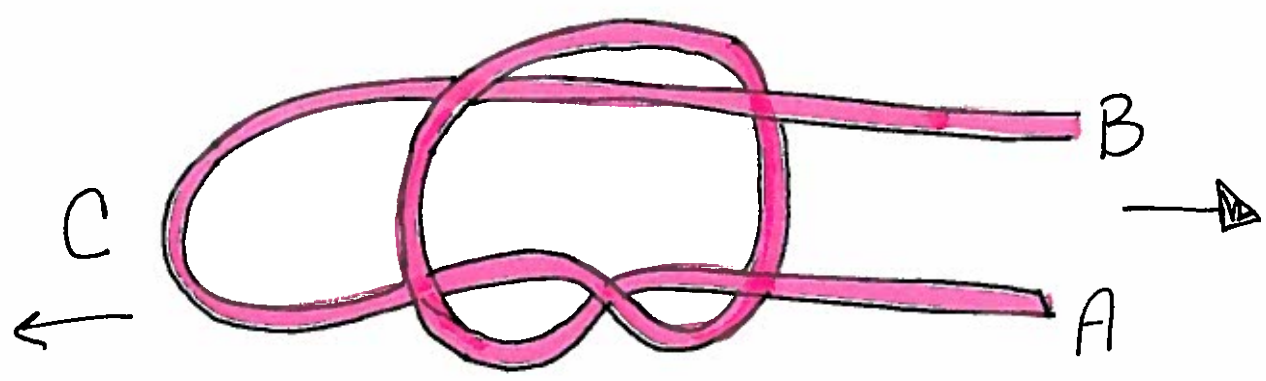

3. Take some yarn between the 'cross' & point B; put it under the loop.

over
&
through

4. Pull that yarn (point c)
through the first loop.

5. Pull on C with one hand;
& A & B together with the other in
the opposite direction.

6. keep pulling; All done!
